OUR MISSION

To provide our customers an "alternative" for Dinner that will satisfy every family's needs by offering a variety of selections & sizes at reasonable prices and most importantly, brings families together around the dinner table!

All of our dinners and desserts are made from scratch, using only the freshest ingredients. Our casseroles are delicious, complete meals featuring a variety of meats, vegetables and pastas that will satisfy any taste. Our chilled desserts are Ready-to-Serve and guaranteed to please every sweet-tooth. All of our selections are available for TAKE-OUT ONLY.

YOUR CHOICE....

Oven-Ready or Ready-to-Serve

For the convenience of our customers, we offer both. Pick up one of our oven-ready casseroles any time during the day and keep it refrigerated. Cook and serve later that evening or even the next day...whatever your schedule. Too busy to plan ahead...no problem. Just call 30 minutes in advance and pick up any of our dinner casseroles, piping hot and ready-to-serve.

Variety, Variety, Variety

We have a casserole to satisfy the likes and tastes of every family member. Mom and dad may want to try our rich and flavorful Crab-Artichoke while still pleasing the kids with our Pizza Pie or Cheeseburger Lasagna. Vegetarians will love our Eggplant & Zucchini Lasagna. More of a meat & potato person? Our Shepherd's Pie will hit the spot. Everyone is sure to have a favorite! With a variety of dinners, sides & desserts to choose from, you can visit us often and enjoy many delicious and flavorful meals. Also watch for our WEEKLY FEATURES.

Perfect Portions

To better serve our customers, all of our dinners, sides and desserts are available in 3 sizes. Our minis are just perfect for a single serving. Our small casserole contains 2 to 3 servings and our large contains 4 to 6. Not too much, not too little...just right! However, you may want to purchase the larger size because our casseroles are just as delicious if not more the 2nd time they are warmed and served. As for our desserts, no matter what size you buy, you'll still fight over who gets the last serving.

Value Pricing

Our casseroles start at \$4.15 per serving, based on a 12 ounce serving. And best of all, when you purchase the larger size, you'll save from \$.45 to \$.70 per serving. That's more than a 10% savings. Our side dishes are priced at \$1.85 per serving and our desserts start at \$2.25, based on an 8-oz serving of each. As with the dinners, both the larger sides & desserts offer a savings off of the per serving price.

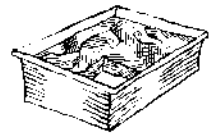

"SAMPLE & SERVE"

Your satisfaction is always guaranteed because we offer FREE SAMPLES of our casseroles & desserts all-day, every day. Sample it before you select.....then you can be confident that your family will enjoy the meal you serve. So don't take our word for it, try them for yourself!
